1 January 2010

LA-C Chapter Newsletter

Hello Everyone,

Looking back, 2009 was a very eventful year for us both. We had the benefit of Buster attending the LA District Education Day at which time Carolyn decided to have an infection in her gall bladder and had to undergo emergency surgery. Well the good news is that Carolyn has recovered well from her surgery, and Buster came home as a certified GWRRA Trike Course Instructor.

Also, in case you hadn't heard Buster is a cancer survivor and had many trips to MD Anderson Cancer Center in Houston Texas, this past year. So the treatment that he received there has him back at work, after being absent for a year on sick leave from work. Thank you to all of you for your support and prayers.

We were fortunate to attend: The LA District Staff Meeting, Wingless Weekend, The LA District Rally, the Marshall Regional Rally & the Chapter C tour of the Shriners Hospital in Shreveport, and the Chapter C Christmas Party and our monthly chapter meetings.

Our greatest enjoyment though has been having our years of electrical problems go away with a new Compufire charging system (alternator & battery). Among our many rides through the year, our greatest ride was in November, we rode the Wing to Houston, Destin Fl, and Miami Fl roundtrip totaling over 3,000 miles.

As we enter 2010, we are a little anxious to be facilitators as the chapter directors. Carl & Charlotte Webb have done an excellent job for the past 4 years as the chapter directors and hope we can serve you half as well as they have. We fully understand that this is all the members' chapter and not just us two's. The chapter has many staff positions that are available; please let us know if there is a position that you may be interested in occupying.

We look forward to seeing you at the January meeting.

Buster & Carolyn Henrikson
