Bikes/trikes will be put in small riding groups according to the color of their bike/trike. All yellow in one group, all white in another group, and so on. If your ride a weird color, no problem, you will ride as a small group or we will ride one mixed color group of bikes/trikes.

Destination is the Evangeline Downs Casino in Opelousas. Both groups will meet in Opelousas. We will take a group picture, share a meal, have some fun, and part ways. You should be headed home by 3:00.

More details will be posted on the District web site as they become available.

Our District Educator, Rodd Polk, will head up the group from Natchitoches. Mike/Pam Jastram (225 964 3999) and Tommy/Gail Sanders will head up the group form Hammond.

Will a chapter director and/or a ride leader from each chapter, please confirm that you received this email, let us know if your chapter plans on attending, and about how many riders you will be bringing,

Hopefully everyone is proud of the color of their bike/trike no matter how ugly it is and show up for the ride.
